Forecast for Tuesday 22 Nov 2022

Weather: Sutherland starting cloudy with some outbreaks of rain, falling as snow above 700m, this clearing by afternoon. Otherwise a good deal of dry weather cloud tending to break to allow some sunshine, ut further showers will push into Skye and coastal rainges in the west during the afternoon.

Chance of cloud-free hill tops above 800m: 40% over Sutherland rising 80%. Otherwise 80% but falling 40% near west coast in afternoon.

Low cloud and visibility: Northern ranges will see extensive cloud with base 500 to 700m at first otherwise patchy cloud, then more extensive in the west later. The visibility will be very good, falling poor in showers and very poor in any snow.
